## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 12 and 14 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Claims 12 and 14 were previously cited as being allowable but objected to for being dependent from rejected claims. Claims 12 and 14 have been amended to include all the limitations from their respective independent claims and therefore are considered to be allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
